How to Contact Agencies and Get Results

Take notes. Have paper and pencil ready when you make a call. Be ready to give a brief but complete account of what you need. Eliminate unrelated information.

Be ready to provide your full name and contact information, including how and where you can be reached or receive messages.

If your inquiry involves an agency that uses an identifying case or file number, be sure to have that ready.

Be sure to record the name and title of people you talk to, and confirm their phone numbers in your notes.

Keep your notes organized by your contacts to each agency so that you can easily supply information when you make follow-up calls.

Take the time to say THANK YOU to those who assist you!

Streetwise Safety Tips

Stay Alert and tuned into your surrounding wherever you are.

Act as if you're calm, confident, and know where you are going.

Don't accept rides from someone you don't know and/or trust.

Trust your instincts. If something or someone makes you uneasy, avoid the person or situation and leave as soon as possible.

Know the neighborhoods where you spend time, including locations of fire and police stations.

Try to walk places with your friends rather than alone.

Stick to well-travelled and brightly-lit streets. Avoid shortcuts through wooded areas, parking lots, and alleys.

Take the safest route when travelling on foot.

Don't display your cash or valuables, including items such as cell-phones.

Carry your backpack or purse close to your body and keep it closed. If you are carrying your wallet, put it inside your coat or pants pocket, not in your bag. Always keep your I.D. and other important papers safe and close.

If you think you are being followed switch directions or cross the street. If you believe they're still following you, move quickly toward an area with more people. Don't be afraid to yell for help. You could also try walking into a store or other public area

If someone tries to rob you, give up your property – don't give up your life. Report the crime to the police immediately. Try to describe the attacker as accurately as possible. Your actions can help prevent others from becoming victims

Be alert and report suspicious activity.

Children's Center

2001 NE Parvin Rd, 64116

816-777-0356

The Children's Center is an emergency placement shelter that provides a safe and therapeutic environment. Children who are in the state's custody may come into the program through the Children's Division. This is typically a 30 day stay until the child's caseworker finds a more permanent placement. Parents/guardians may also bring their children into the program through Crisis Care. This may include, but is not limited to, homelessness, domestic violence, incarceration, or unexpected hospitalization. Therapy and referrals for other services are provided for the children and their families.

Synergy House

2005 NE Parvin Rd, 64116

816-741-8700

Synergy House provides short-term emergency shelter for youth in crisis, including homeless, runaway, abused and neglected youth ages 12 to 18. Synergy House youth participate in individual and group counseling, center-based schooling, recreational activities, and vocational education utilizing Synergy's own EXCEL program. Family counseling is also provided when appropriate.

Synergy's Transitional Living Program provides an independent living environment, individualized skills assessment and training, as well as support services for homeless youth age 16 to 21. The main goal of the Transitional Living Program is to support youth in achieving self-sufficiency and realization of personal goals.

United Services Community Action Agency

Family Intake, Assessment & Referral (FIAR)

FIAR is the initial assessment used to determine eligibility for USCAA programs and services. The purpose of the system is to look at ALL of the potential needs of each family coming in for service – to explore beyond their presented needs and address any underlying problems preventing long-term success.

Low Income Home Energy Assistance Program (LIHEAP)

Missouri State LIHEAP Contact: **573-751-6789**

LIHEAP can help you stay warm in the winter and cool in the summer through programs that reduce the risk of health and safety problems that arise from unsafe heating and cooling practices. The program provides federally funded assistance in managing costs associated with home energy bills, energy crises, weatherization, and energy-related minor home repairs.

Missouri Asset Development Project

Individual Development Accounts (IDAs) are special savings accounts for low-income people that enable them to attain a "lasting asset" (e.g. home ownership; micro-enterprise development; post-secondary education). Attainment of these "assets" has proven to enable families to make a permanent move out of poverty. The program provides a 2:1 match for participants; for every \$1 a participant saves, MBA will match it with \$2 (up to \$4,000).

Supportive Housing

In this program, USCAA encourages self-sufficiency by subsidizing a family's housing payment for up to 2 years. The amount gradually decreases as the family demonstrates increased capabilities, all while a case manager works one-on-one with the family offering continual support.

301 E Armour Blvd, 64111

Section 8 rental assistance program funded by the U.S. Department of Housing and Urban Development (HUD). It is designed to assist low-income families rent apartments, condominiums, or homes in the private market. Families that meet income guidelines established by HUD will receive a Housing Choice Voucher (HCV). Utilizing their HCV, the family pays approximately 30% to 40% of their income toward rent and utilities and HAKC pays the difference.

Family Self-Sufficiency Program (FSS)

299 Paseo Blvd, 64106 **816-777-2901**

Voluntary program for participants in the Section 8 program. The purpose is to assist individuals in improving their economic status by reducing their dependence on public assistance. Benefits include career planning/job training, diploma or GED attainment, homeownership counseling, and referrals to other supportive services.

Section 8 Homeownership Program

299 Paseo Blvd, 64106

816-777-2901

Program that helps section 8 voucher holders by paying part of their monthly mortgage payment. This payment is paid by the Housing Authority to the mortgage lender instead of to the landlord. The voucher holder is responsible for a portion of the mortgage payment as well. This program helps with credit recovery, financial education, case management, homeownership education, and managing lenders and realtors.

JayDoc is a free, student-run clinic that provides non-emergency urgent and preventative care to the uninsured and underinsured populations of Greater Kansas City. Mondays and Wednesdays are general clinic nights. The clinic opens at 5 PM, but before patients are seen by a provider, they must undergo a triage process. In certain instances, JayDoc may not have the necessary volunteers or resources needed to treat a patient, and in this case the patient may be referred to a JayDoc specialty night or another clinic. Tuesday evenings are specialty nights where services include: women's health care, dental care, diabetes care, ophthalmology services, and radiology services. To attend a specialty night, a patient must receive a referral after attending JayDoc general clinic; however, Dental Night is an exception. JayDoc patients do not need a referral to attend dental night; the patients who need dental care undergo a triage process similar the process that occurs on general clinic nights.
